Cashing in on Cycle Tourism

Date and Time: Wednesday, September 13 9:30 am - 2:00 pm

Address: 77 James Street, Arnprior ON

On Wednesday, September 13, the group will host a meeting at the Nick Smith Centre in Arnprior from 9:30am to 2pm to discuss the potential of the "Trail Town" concept for cycle tourism. Louisa Mursell of Ontario by Bike, Jennifer McCourt of Discovery Routes/Voyageur Trail, Brenda Wood for Trent-Severn Trail Towns and Bob Peltzer of OVCATA will all present.

You may own an ice cream stand, perhaps a restaurant, bakery, chip truck, inn or bed and breakfast. Perhaps you run a bike shop, or hotel; you may curate a local museum, coordinate a farmers' market, or be a member of a chamber of commerce. You might work in tourism, for a municipality or a county, or sit as a council member. Maybe you're someone who just loves to explore the riches of Lanark, Renfrew and Frontenac from the seat of your bike! All are welcome and encouraged to join in the conversation about how we can work together, using cycle tourism to build stronger communities in our part of the province.

2023 UOVCC Business Excellence Awards Gala

Date and Time: Saturday, September 23 5:30 pm - 11:35 pm

Address: Normandy Officers' Mess, Garrison Petawawa 44 Lens Rd Petawawa, ON K8H 2X3

Celebrating 65 years of service, the Upper Ottawa Valley Chamber of Commerce has planned a glamorous evening for Saturday, September 23rd at the Normandy Officers' Mess, Garrison Petawawa, to recognize the accomplishments of the business community in our region.

This will be a night to remember. After the spectacular return of our awards ceremonies last year, we are planning live entertainment, dinner and dancing into the night to celebrate our 65th anniversary in the valley and to recognize our member businesses and their achievements.

Traveling from out of town to join us for our awards gala? We have reserved a block of rooms at the Quality Inn & Suites Petawawa at a special conference rate just for our gala guests! Space is limited and the offer is only available until September 11th. [Book Now!](#)

The Chamber of Commerce is once again taking a fun, fair and unbiased approach to the awards and judging process using Awardify: a Canadian-owned award management platform. In order to ensure all businesses are viewed on their own merits each member can tell us the story of their business, highlighting their accomplishments and their work in the community, and adding photos and testimonials for our panel of judges from chambers of commerce across Canada to score.

The Upper Ottawa Valley Chamber celebrates its member businesses with awards according to categories of products or services, as well as special trophies for newcomers, solopreneurs, not-for-profit organizations, visionary leaders, and the Lifetime Achievement Award. A complete list of awards and instructions to submit an entry can be found on the chamber's [awardify site](#) where chamber of commerce executives from across Ontario and Canada will review and score the entries to select the finalists. Winners will be unveiled at the ceremony.
